

# MOH. DWI AFANDI

## Mobile Developer

Kediri, East Java, Indonesia | +62 857-0872-6068 | [fandigit7@gmail.com](mailto:fandigit7@gmail.com)

Portfolio: <https://fandi-portofolio.web.app/>

### SUMMARY

---

Enthusiastic Flutter developer with hands-on experience building scalable, cross-platform mobile applications. Skilled in integrating Firebase services, implementing clean architecture, and creating user-friendly interfaces. Adept at collaborating with designers and backend teams to deliver innovative solutions and enhance app performance.

### EXPERIENCE

---

#### PT. ORDO TEKNOLOGI KARYA – Surabaya, Indonesia

Mobile Developer Intern (July 2024 – November 2024)

- Developed and maintained mobile applications using Flutter.
- Collaborated with design and backend teams to seamlessly integrate UI/UX designs with API endpoints.
- Utilized state management solutions (BLoC, GetX) to ensure efficient application performance.
- Implemented clean architecture principles to enhance code maintainability and scalability.
- Integrated Firebase services—including Authentication, Firestore, Cloud Storage, and Push Notifications—to boost app functionality.
- Participated in code reviews and debugging sessions to improve code quality and resolve defects.

### EDUCATION

---

#### SMKN 1 Kediri – Kediri, East Java, Indonesia

High School Diploma, Computer Network and Telecommunications (2025)

### TECHNICAL SKILLS

---
